

Dana Gas Factsheet

Dana Gas is the Middle East's first and largest regional private sector natural gas company. It was established in December 2005 with a public listing on the Abu Dhabi Securities Exchange (ADX).

Dana Gas has exploration and production assets in Kurdistan Region of Iraq (KRI) and Egypt and its average production output was 66,200 boepd in 2019. With sizeable assets and reserves in KRI and Egypt and further plans for expansion, Dana Gas aims to play an important role in the rapidly growing natural gas sector of the Middle East, North Africa and South Asia region (MENASA).
